AT THE THEATERS

The burning of the Orpheum yesterday morning cast a singular gloom over the theatrical district last night. It was generally talked about, and everyone seemed to feel that an old friend had been lost. For who has not had a "good time" at the old Orpheum? Ever since the days of Jim Post and the P. G's. the Orpheum has held a spot all its own in the hearts of the people of Honolulu; and it was with a feeling of real sadness that many, as the shadows of last night began to fall over the theatrical quarter, gazed upon the ashes of the popular playhouse, as they passed on to other places of amusement.

THE PARK TONIGHT.

The leading series at the Park this evening will show the aero meet at St. Louis, with contests between airships and balloons of various types. Another feature will be a thrilling Western picture entitled "The Revenge," a series full of excitement. Miss Eva Alva and Miss Florence Melnotte will appear in an excellent two-part song. The park theater is fireproof.

THE EMPIRE.

There will be two big features in the picture line at the Empire theater this evening, the first entitled "The Drunkard's Fate" and the other "The Light That Came." Beautiful colored films will be "A Female Sleuth," and "Music Lesson." Two other interesting picture sketches will be "The Mexican's Revenge" and "A Dull Knife." Miss Wall has quite recovered from her recent accident and will reappear in her famous muscle dance Miss Donovan will have new specialties, while Mr. Harry Well will preside at the piano.

SOME NEW PICTURES

The Art theater has at last completely broken away from the syndicate which has heretofore supplied pictures to all the theaters of Honolulu, and will henceforward have an independent service. These new films were shown last night and took immensely well. Tonight the leader will be "The Royalist's Wife," showing the bandits of the Atlas mountains and illustrating their methods and habits. Besides these there will be other catchy films, both dramatic and comical.

THE PRETTY BONINE.

Tomorrow evening at the Bonine, Miss Vernon will appear in specialty songs and dances, and George Harris, the fun-maker, will be there with another of his famous knockabout acrobatic dances. A big feature will be a sketch entitled "Troubles of a Pawnbroker," participated in by Harris, Griffin, Miss Vernon and Post. Another of his famous knockout acrobatic dances, Miss Vernon and a young Hawaiian lady—the latter the first Hawaiian Miss to appear in public as a step dancer. Four reels of specialty selected pictures will be shown.

AT THE NOVELTY.

Those unequalled fun-makers, Leonard Rowe and Rose Mayo, will reappear at the Novelty theater this evening in a roaring farce entitled "The Merry Widows," in which the splendid work of the pair of entertainers will be seen at its very best. The Earle sisters will also appear in pleasing stunts and the picture program will be of the very best.

"BILLY" PRESTIGE

No little sympathy is felt for "Billy" Prestige, the "man behind the bars" at the Orpheum on account of his severe losses in yesterday's fire. All of his working materials, curios, candles and even clothing were wiped out, and he has largely to face the world once more. It was plainly with the weight of discouragement upon him that he "turned to" at the Bonine last night—his work of fifteen years turned to ashes. "Billy" Prestige needs the hand of his old-time friends just now.

SMITHS IN FORSE

Members of the Smith family in Washington, Idaho, Utah, Northern California, Oregon, Montana, Colorado, the Dakotas and the provinces of British Columbia and Alberta were invited to the Smith Day celebration in Spokane on April 19, when John Smith and Mary Smith, both of that city, were to be married in the state armory. Attendants, flower girls and the ring-bearer had been chosen from the house of Smith, the officiating clergyman being the Rev. Robert A. Smith, pastor of Bethel Presbyterian Church. Philadelphia Tom Smith, 73 years of age, a scion of Delaware Indian stock, was to lead the grand march over a broad path, strewn with spring blooms and evergreen. Not less than 3,000 Smiths were expected to attend the celebration.

A TWO DAY TRIP.

There is variety in one of the two day trips over the Oahu Railway for a stop of a day and a night at beautiful Haleiwa is one of the features and the rides through the sugar and pineapple plantations are agreeable additions. The opportunity is given persons taking this trip to inspect the plantations to their hearts content and the journey home will begin at Wahiawa the second day. There is nothing in the Territory at the price more enjoyable than one of these ten dollar trips. Trains leave station at Palama in the morning.

AFTER
SUFFERING
ONE YEAR

Cured by Lydia E. Pinkham's Vegetable Compound

Milwaukee, Wis. — "Lydia E. Pinkham's Vegetable Compound has made me a well woman, and I would like to tell the whole world of it. I suffered from female trouble and fearful pains in my back. I had the best doctors and they all decided that I had a tumor in addition to my female trouble, and advised an operation. Lydia E. Pinkham's Vegetable Compound made me a well woman and I have no more backache. I hope I can help others by telling them what Lydia E. Pinkham's Vegetable Compound has done for me." — Mrs. Emma Lusk, 833 First St., Milwaukee, Wis.

The above is only one of the thousands of grateful letters which are constantly being received by the Pinkham Medicine Company of Lynn, Mass., which prove beyond a doubt that Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, actually does cure these obstinate diseases of women after all other means have failed, and that every such suffering woman owes it to herself to at least give Lydia E. Pinkham's Vegetable Compound a trial before submitting to an operation, or giving up hope of recovery.

Mrs. Pinkham, of Lynn, Mass., invites all sick women to write her for advice. She has guided thousands to health and her advice is free.

"THE SPOILERS"

Among the early productions for the Opera House, which include a number of the very best plays, perhaps the most prominent will be "The Spoilers," that thrilling play of the far north, by Rex Beach.

Nearly every one in the west remembers the story of the attempt of the gang of eastern swindlers to rob the miners of Nome and its vicinity of their hard earned diggings, and in 1900 the subject was the topic of conversation throughout the world. Perhaps no play in the history of New York created such a sensation as "The Spoilers," and the story is told in such a true, natural way that one can almost feel that he was on the ground at the time and taking part in that great struggle for right.

Twenty days were required to make San Francisco on the barkentine Coronado.

The collier Rosebank is out 70 days today from Newport News with coal.

Less than six days were taken by the ship Edward Sewall in making Hilo from Honolulu. She will probably get away for the eastern seaboard next week.

The Logan is due next Wednesday morning from Nagasaki. She will leave the same day.

Heart Trouble
from Childhood

"I suffered with my heart from girlhood; could not sleep on left side. Eleven bottles of Dr. Miles' Heart Remedy removed all these troubles, and brought complete recovery." MRS. H. C. CRUSE, San Francisco, Calif.

The life of the body is the blood. It runs on and on, carrying nourishment and gathering up impurities as long as life lasts—the heart makes it go. When the heart is weak it cannot do this, and dizzy spells, palpitation, short breath, indicate that it is doing its work imperfectly.

Dr. Miles' Heart Remedy strengthens the heart nerves and muscles, and restores normal action to the heart.

The first bottle will benefit; if not, your druggist will return your money.
